**DIAL-A-RIDE
SERVICE EXPLAINED**

The Angle Vale Dial-A-Ride service is a combination of fixed routes and a flexible demand responsive service in an attempt to maximise accessibility for residents.

FIXED ROUTE

The fixed route is a feeder service to the Smithfield Interchange and operates during peak times and will pick up and drop along the route shown.

The route loop commences and ends at the intersection of Shiraz Avenue and Heaslip Road at the times indicated on the timetable.

FLEXIBLE RESPONSE

The flexible response service will pick up and drop off (door to door) in the Angle Vale Township, and take passengers to either the Smithfield Interchange or Munno Para Shopping City, the Gawler Town Centre and vice versa.

To book the flexible service you need to phone the contractor on 1300 642 604. If you have a regular travel commitment only one phone call will be required.

The flexible service will be available in the various localities at the times shown in the timetable. The service only operates Monday to Friday (excluding public holidays) during the times shown.

FARES

Each trip will cost \$5 or half price (\$2.50) for concession holders.
